### REPORTING AND PAYMENT

The grantee should upload the Scientific Reports (A) and the Dissemination Materials (B) within **15 days from the end of the STSM**. The grant will only be paid to the grantee after the STSM has been completed and the STSM report, which is submitted by the grantee in e-COST, has been approved by the Grand Holder Manager with the assistance of the Grant Awarding Coordinator. Just researchers from ITC can request a pre-payment of 50% of their STSM Grant when they complete the first day of their STSM. For that purpose, the representative of the Host Institution must confirm by e-mail to the Grant Holder that the first day of the mission has officially started, and then the Grant Holder can arrange the payment of 50% of the STSM Grant. The remaining 50% of the Grant is payable once administrative requirements have been satisfied after the STSM. **Failure to submit the scientific report and dissemination materials, and Host acceptance within 30 days from the end date of the STSM will effectively cancel the Grant.**

### ACKNOWLEDGMENTS

Successful STSM grant holders must properly acknowledge their COST financial support, received through the **FoodWaStop COST CA22134 Action**, in their published work (paper, proceeding) as well as on the presentation slides for any work resulting from the STSM.
